

# MIT Open Class List

## Fall 2019

Prospective undergraduate students are welcome to visit campus and attend any of the classes listed below. There is no need to reach out ahead of time for permission to attend. **Please review the guidelines below before attending a class.**

### Guidelines

- Please leave sufficient travel time to arrive on campus and at the appropriate classroom at least 5–10 minutes in advance.
- Before the class begins, introduce yourself to the faculty member as a prospective student.
- When sitting in on a class, do not arrive late or leave early and please remain in the class for the entire duration of the lesson.
- Pictures and videotaping are **NOT** allowed in the classroom.
- Visitors are advised to have a backup plan, as they will not be permitted to sit in on the class if an exam or quiz is being administered that day. We regret that there may not be advanced warning if this is the case.

**Please note:** Class times, location, and availability are subject to change with no advance notice; availability is at the discretion of the faculty member, more classes may be added and not all departments are available every semester.

For more information about these classes, you are welcome to peruse the course catalog at [student.mit.edu/catalog/index.cgi](http://student.mit.edu/catalog/index.cgi). Again, **you may only visit classes on this open class list.** You may not use the course catalog to find other classes not on this list to attend.

Thank you and enjoy your visit!
